**LETTER OF REQUEST**

We write this letter to inform your esteemed church and plea for your humble donations of the south African veteran foundation Nelson Mandela Foundation.

Nelson Mandela foundation is a foundation aimed to give hope to African children. We have several African children living with aids, heart problems and other STI diseases. we also have orphans, physically disabled children and children with autistic problem. the children are the future leaders of tomorrow, we need to show them love and give them the hope of a brighter tomorrow.

we urgently need the support of individuals, churches, private sector and government to make the world a better place for the children. We are organizing a conference coming february10 2011,which will be broadcast on CNN. We will be acknowledging our sponsors and those who donated to support our foundation. A special song of gratitude will be composed by the children to show their gratitude for saving their lives.

This is the greatest wish of our veteran South African Icon Nelson Mandela to give hope to the hopeless. We have children who are in the critical stage,who have just three days to live,we urgently need your prayers and support financially we need you to help us save the life of this children by donating your own quota no matter how small,we will be very grateful.

Visit our website at [www.nelsonmandela.org](http://www.nelsonmandela.org) for more information,send your enquires to this mail. pls reply us back if interested or not.

Find attached pictures of children, awards, certificate for your perusal.we will be grateful if our request is urgently granted.

Yours truly,  
Nelson Mandela foundation
