GOODWILL COLLECTION

Goodwill Collection is inspired by the life and times of Nelson Mandela. It strives to celebrate an icon, his values and ideals. With this merchandise collection, we advocate for social justice. We encourage you to stand for something. We challenge you to take ownership of the conversation and dialogue around Madiba's legacy. We invite you to take action, to inspire change. To live the legacy.

The Nelson Mandela Foundation will be part of a global commemoration of International Nelson Mandela Day as a network of global partners will be planting trees, resourcing home-based and community food gardens across the world, as the sun traverses the planet on the 18th of July 2023. For Mandela Day this year, under the theme: **“Climate, Food and Solidarity”**, with the call to action being: **“It is in your hands”**
